## CHAPLAINCY

### Where Does Your Shoe Pinch?

Abigail Adams, wife of the second US President, was a prolific reflector on human behaviors. Unusual for a woman of her era, she openly espoused the correctness of women being as educated as men, and having the right to own property.

Against societal practice, the Adams refused to own slaves. She spoke of the horrific absurdity of one people espousing liberty for themselves while enslaving others.

Regarding the common struggles all encounter, she observes: “No one is without difficulty, whether in high or low life, and every person knows best where their own shoe pinches.”

This metaphor crosses the centuries. Shoe styles and options proliferate for us, yet each of us knows the exact place on our foot when our Nike Air shoe pinches. I don’t need anyone else to point to the pain of a blister—my foot screamingly transmits that directly to my brain.

Nor does hearing another person’s counter-story of a worse foot pain than mine alleviate my pain. Who gets comforted by “Oh, you think you’ve got it bad, wait’ll you hear about my pain”? Kinda reminds me of Job’s “miserable comforters”!

Seeing Jesus’ recorded ministry, much of it with people coping with debilitating issues, reveals a different response to another’s pain. Remarkably, in the midst of throngs seeking help, he often looked into individual’s eyes. Two blind men, though being told to hush by the crowd, heard the Teacher say, “What do you want me to do for you?” His genuine compassion was evident, not only in giving them their sight, but in listening to their question.

Who listens to you when your shoe pinches? Who cares enough to slow down, to look you in the eyes, and to say “where does your shoe pinch?”

Whoever does that for you, without trying to top your story with their own, without trying to quickly give you free medical advice....that person is treating you with the care of Jesus.

And you, in turn, get the privilege of offering the same gift to others. God’s goodness perpetuates itself, over and over.

What a loving God indeed.

— Virgil Fry

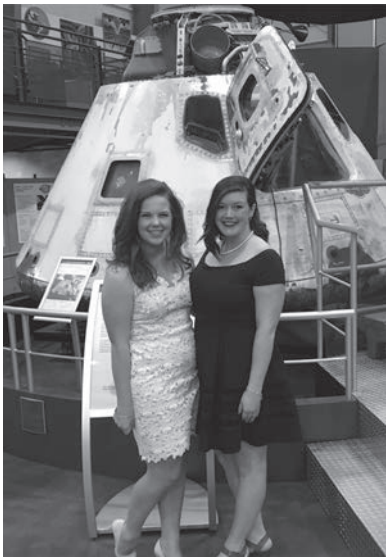

# Interns Come Alongside Patients and Families, Sharing God's Healing Presence

By Paul Riddle, Director of Spiritual Care - Houston

Each summer Lifeline is blessed by the presence of university students who participate in our internship program. For twelve weeks they provide spiritual support to hospital patients in Fort Worth, Austin, and Houston, and process their experiences in classroom discussions, verbatims, and written reflections.

This year's Fort Worth intern class includes Kathryn Herring, from Robinson, TX, majoring in Christian Ministry and Psychology at Abilene Christian University, and Tori Treat, from Glenpool, OK, majoring in Nursing at Oklahoma Christian University. Austin interns include Rett Parker of Edmond, OK, majoring in Bible and Ministry at OCU, and Katrina Winnett of Dunwoody, GA, majoring in Intercultural Ministry and Nonprofit Management at Pepperdine University. Houston interns include McKayla Rosen of Simi Valley, CA, a 2017 graduate in Religion from Pepperdine University; Madisen Salaz of San Diego, CA, majoring in Christian Ministry and Spanish at ACU; and Joseph Vasami of Houston, TX, majoring in Biblical Text and Christian Ministry at ACU.

Our interns come alongside patients and their loved ones at moments of crisis, when their lives have been disrupted by illness or loss. God's presence is palpable in these encounters, and the sacred moments our interns share with those they visit often become the catalyst for spiritual growth not only in those being "ministered to," but also in those providing the ministry as well.

Katy Herring and Tori Treat

Rett Parker and Katrina Winnett

# How Do You Know What To Say?

By Brock Paulk, Lifeline Volunteer / Minister - Heritage Church of Christ

Recently I had the opportunity to spend a morning sharing my chaplaincy experience with the summer interns in Lifeline's Tarrant County office in Fort Worth. As I prepared a few notes and organized my thoughts, my mind wandered through the memories of the visits I've made over the past 8 years since I first attended the Creating a Healing Community Workshop and, subsequently, joined the staff at a local hospital as a PRN Chaplain.

Always feeling unqualified for the task whenever I've entered a patient room, I've been honored to be there for births and deaths, CPR attempts and fetal demise memorials. I've been there when the doctor's report was positive and when it wasn't positive at all. I've guided patients through the process of signing over Medical Power of Attorney forms – a profound expression of trusting a loved one – and I've watched, days later, as those same loved ones made the agonizing decision to withdraw life-sustaining treatment measures. I've called parents on the phone and said, "We need you to come to the hospital – there's been an accident," and I've sat with adult children as they watched and waited for mom to take her inevitable last breath.

After 8 years, these moments don't get any easier...They don't become routine. In fact, one of the great blessings of this ministry is that I'm finding myself more emotionally engaged with the patients and families, the longer I'm able to serve. The stories are more stirring, the grief is more intense and the hope is more clearly needed than it has ever been for me.

And so, when I spoke to the Lifeline interns, I told them about the way people always ask about my chaplaincy: "How do you know what to say when you go into those rooms?" And every time, when I reflect, I reply, "I don't think anybody knows what to say. But somebody needs to go in so those people won't be alone...and I've discovered that it's a great privilege to be there."

---

## Bridemaids of a Beautiful Bride

By Jesse Stroup, Director of Spiritual Care - Dallas

*Hallelujah!  
For our Lord God Almighty reigns.  
Let us rejoice and be glad  
And give glory!  
For the wedding of the Lamb has come,  
And his bride has made herself ready.  
Fine linen, bright and clean, was given her to wear.  
(Fine linen stands for the righteous acts of the saints)*

**Revelation 19:6-7**

I am sometimes asked what is Lifeline Chaplaincy; how does it fit with the church? I imagine Lifeline Chaplaincy as a bridesmaid of Jesus' bride, His church. Jesus' Church is beautiful, ready, prepared, glorious.

Organizations like Lifeline Chaplaincy, Christian Works For Children, Arms of Hope, Mission Alive, Eastern European Missions, and Samaritans' Purse are like bride's maids. They equip saints and provide a way to do good works that God has prepared for them to do before the creation of the world. As a bridesmaid, Lifeline Chaplaincy provides ways for Christians to serve at the bedside giving a listening ear, compassionate support, prayer, and quiet little deeds that help relieve the pain. And through Compassionate Touch and Soft Touch, pillows, help with parking, food, and lodging during the first week are sometimes provided.

Lifeline Dallas has 38 active bedside volunteers from 25 congregations of Churches of Christ. Last Sunday I was deeply touched while sharing in communion with a patient and her husband from Texarkana. She said, "On your first visit to me last week you asked me, "How has God revealed himself to you through this illness?"

"I did not have much of an answer, but I have thought about that again and again as I am in such pain with this cancer. Now I have an answer. God is with me in my pain. I have stopped saying, 'I am going to beat this. God's presence in my suffering is enough for me today.'" She wiped a tear from her eye. We sang a song, and I left. This is just one way Lifeline volunteers get to be bridesmaids of Jesus' beautiful bride.

# Tarrant County Dinner 2017

Lifeline Chaplaincy is pleased to announce a record-setting success with its annual benefit dinner that was held on April 11, 2017 in Tarrant County. The event raised more than \$104,000, topping previous giving records.

The success of this year's event is credited to the hard work of Lifeline's Tarrant County Development Board, the caring folks who volunteer and give to the ministry, and Lifeline staff members who help arrange the details.

The purpose of this year's event was not only to raise money, but to also honor outstanding volunteers and donors. Linda Crow was presented the Caryl Fry Award for exemplary service as a pastoral care volunteer, Robert Waller was recognized with the Golden Service Award for his many years of service on Lifeline's Tarrant County Development Board, and Don and Beverly Brown were honored with the Legacy Philanthropy Award for their leadership in making Lifeline Chaplaincy a part of their estate planning gifts.

Michael Hix was once again the featured Emcee and was joined by the smooth a cappella sounds of "Compassion". Keynote speaker was Dr. Virgil Fry, Executive Director of Lifeline Chaplaincy, who gave a history of the organization as well as insight into the mission and vision for the future.

The annual event is one of four regional events held by Lifeline Chaplaincy.

# Lifeline Chaplaincy Earns State Recognition

By Tom Nuckels, Director of Spiritual Care, Central Texas

Senate District 14  
85th Legislature

*(Pictured Left to Right, Senator Kirk Watson; Patsy Spaw, Secretary of the Senate; Dr. Virgil Fry, Executive Director of Lifeline Chaplaincy; Dr. Tom Nuckels, Director of Spiritual Care, Central Texas; Dr. Cheryl Billante, Member Board of Directors; Jeff Bailey, Member Board of Directors; Rosa Winfrey, Director of Compassionate Touch; Dan Patrick, Lieutenant Governor of the State of Texas).*

Over the course of the past nine years, since the arrival of Lifeline in Central Texas, hospital visits have been made in the twenty-six hospitals throughout the Central Texas corridor of Interstate 35. Lifeline Chaplaincy staff and volunteers have continued to make great strides, not only in the number of visits to patients, family members and hospital personnel, but also in training of church leaders and members and others throughout the communities we serve. Our volunteer organization is exceptional, including devoted and caring pastoral care volunteers, our dedicated soft touch groups who work tirelessly in providing handmade items such as pillows, wheel chair and walker caddies, and other useful items for patients in need. Likewise, members of our Development Board work hard throughout the year to make sure that our organization continues to be fiscally sound, assisting in activities such as our annual fund raising dinner.

Besides all of this, there are our donors, without whom the good work that we are able to do would not continue. Therefore, this important recognition, in the form of Senate Resolution No. 482, opening with the words, "Whereas, the Senate of the State of Texas is pleased to recognize Lifeline Chaplaincy for its exceptional hospital ministry work..." goes to everyone involved who are a part of the Lifeline Chaplaincy family state-wide, since all that has been said here is repeated throughout our four locations, including Houston, Fort Worth, Dallas, and Central Texas.

So, thank you for being you, and for your continued support through the years of this vital ministry to hurting souls. May we continue to forge ahead toward the future, to bless and be blessed by those we seek to serve as together we seek to bring honor to our God.

# Compassionate Touch Celebrates 20 Years

By Rosa Winfrey, Director of Compassionate Touch

*"The purpose of human life is to serve and to show compassion and the will to help others."*  
– Albert Schweitzer

It was June 27, 1997. Lifeline Chaplaincy launched a new humanitarian outreach program called Compassionate Touch to provide emergency assistance to underserved and financially challenged patients in the Texas Medical Center Houston. Compassionate Touch approached the Social Work Department at M.D. Anderson Cancer Center with a \$10,000 grant to provide resources for their patients and caregivers. Twenty years later, Compassionate Touch, Inc is a 501(c)3 organization serving 34 hospitals in Medical Centers throughout Houston, Dallas, Fort Worth, and Central Texas. Amazingly, over 30,000 patients and families have received emergency funding for such needs as parking, lodging, meals/food and travel expenses totaling over \$2.5 million.

We began this year with much excitement and gratefulness as we celebrated Compassionate Touch's 20th Anniversary. To commemorate this special occasion, a Baseball Fundraiser Event in conjunction with the Sugar Land Skeeters was held on the birthday of our organization. That day's earlier rainstorms ended, opening the skies to perfect weather. A wonderful time was enjoyed by all in attendance.

Our Youth Supporting  
Compassionate Touch

Constellation Baseball Field  
of Sugar Land Skeeters

Registration Team: Ann, Lynn, Angie and Pat

Prior to the baseball event, James Roberson, Advisory Board Member, promoted Compassionate Touch through interviews on television's Great Day-Houston with Debra Duncan and the Fox 26 Morning Show. Yet, in the midst of our celebration, we cannot help but think of those currently facing serious illnesses and financial challenges. Our mission is to continue to seek funds to share with underserved patients.

With gratitude we salute the many foundations, organizations, corporations and individual donors who have helped us help others throughout 20 years. As Schweitzer, I can truly say, "To serve, show compassion and help others serves as a meaningful purpose of life."

*"Providing Emergency Short-term Resources to Patients and Caregivers"*

# 2017 Dallas Dinner

Excitement was flying high at the Frontiers of Flight Museum as volunteers and friends of Lifeline Chaplaincy gathered on June 8, 2017 for Lifeline's annual benefit dinner in Dallas.

This year we had a very special treat with Dr. Mike Armour providing his expertise as our Emcee, the musical group "Compassion" entertained everyone with their a cappella sound, and Michael Hix returned as a guest entertainer and cheerleader.

The main focus of the evening, however, was not entertainment. Dr. Virgil Fry, Executive Director of Lifeline Chaplaincy, took the opportunity to present a brief history of the organization, a background to the need for the ministry, and the vision for where we are going.

The gala also serves as a time to honor outstanding volunteers and donors. This year Jason O'Quinn was honored with the George Baker Golden Service Award for his service and leadership on the Dallas Development Board. Andy Doran and John Green were recognized for their service as Pastoral Care Volunteers and were presented Lifeline's Trio Award. And the Highland Oaks Church of Christ was recognized for their continued financial support with the Max and Gayle Dillard Philanthropy Award.

On behalf of all of those who are served by Lifeline Chaplaincy we wish to express our gratitude for the financial and volunteer support given to this ministry. Lifeline Chaplaincy depends on the funds raised from the area dinners for its overall financial sustainability.
